

PMO-NL Office Area Guide

PFSCM Office address: De Bleek 9 | 3447 GV, Woerden | The Netherlands

Public Transportation

Please note that the Woerden train station only has “self-service machines” available to buy tickets. Credit cards from outside the European Union are not always accepted at these machines. So, bring plenty of Euro coins if you are going to buy a ticket here. At larger, serviced train stations, like Utrecht, you can usually use a wider variety of credit cards at the train service office.

Bicycles

A bike rack is located on the right side of the building (as you are facing it from outside) for storage/locking at the office. Two bikes are available for use during the work day. Use google calendar to reserve them for a specific time. Keys to the locks are located with the Office Manager.

Cars

Our assigned parking spaces are located in front and in back of our side of the building. Look for posted PFSCM signs to direct you. Please be mindful that others need to park next to you and do so respectfully. The Office Manager will be glad to assist you if you have questions.

Lunch at and around the office

Refrigerators and freezers are located on each floor. You are welcome to bring food and store it at the office. You will also find a microwave and panini press in the canteen. Dishes, glasses, and silverware are provided at the office on each floor. Please take care of what you use by placing them in a dishwasher.

There are a few options to purchase food during the day within walking distance of the office.

- **Döner Company** (1.1 km, 13 min) – located inside the Woerden Train Station is a kiosk with kebabs and other Turkish food items
